

Certificate (1 decode) 100%

A horizontal bar chart with two bars. The top bar is light gray and extends to the 100% mark on the x-axis, with a green dot at the end and the text '100%'. The bottom bar is also light gray but shorter, extending to the 78% mark, with a blue dot at the end and the text '78%'. The x-axis is labeled 'Deployed certified errors detected (%)' and has tick marks at 0, 20, 40, 60, 80, and 100.

Resampling (K=5) 78%

Deployed certified errors detected (%)
